Details

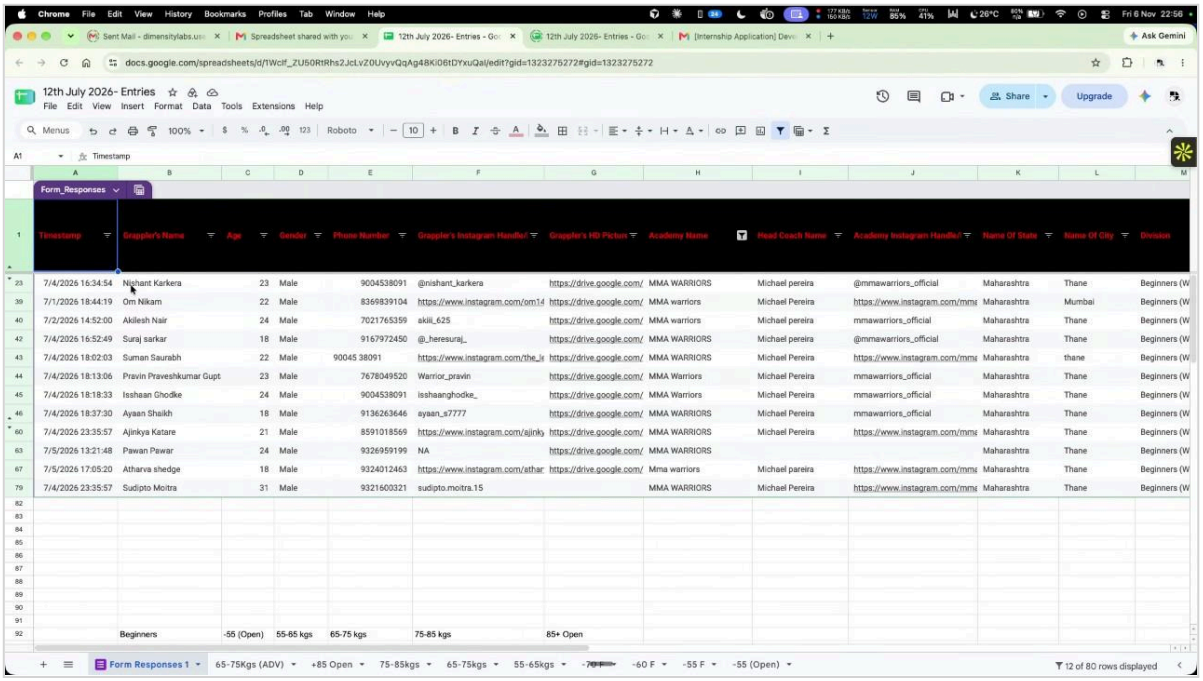

Tournament Sign-Up and Registration Process: Up 'n Roll and James Lewis discuss the website's registration structure, which includes options for login, sign-up, tournament winners across gold, silver, and bronze tiers, seminars, and grappler brackets (00:00:00). Participants are required to provide their full name, emergency contact information, and upload a passport-size photo directly through the platform (00:04:13). Additional features discussed include a cancellation section, a Frequently Asked Questions section, and registration fields capturing participant age, experience level, belt status, and past win-loss history (00:07:52) (00:17:30). James Lewis and Suraj phirke also outline the user authentication process, which involves email verification using Simple Mail Transfer Protocol codes, personalized greeting emails for athletes like James, and user profiles with potential artificial intelligence chatbot integration for photo management (00:21:42).

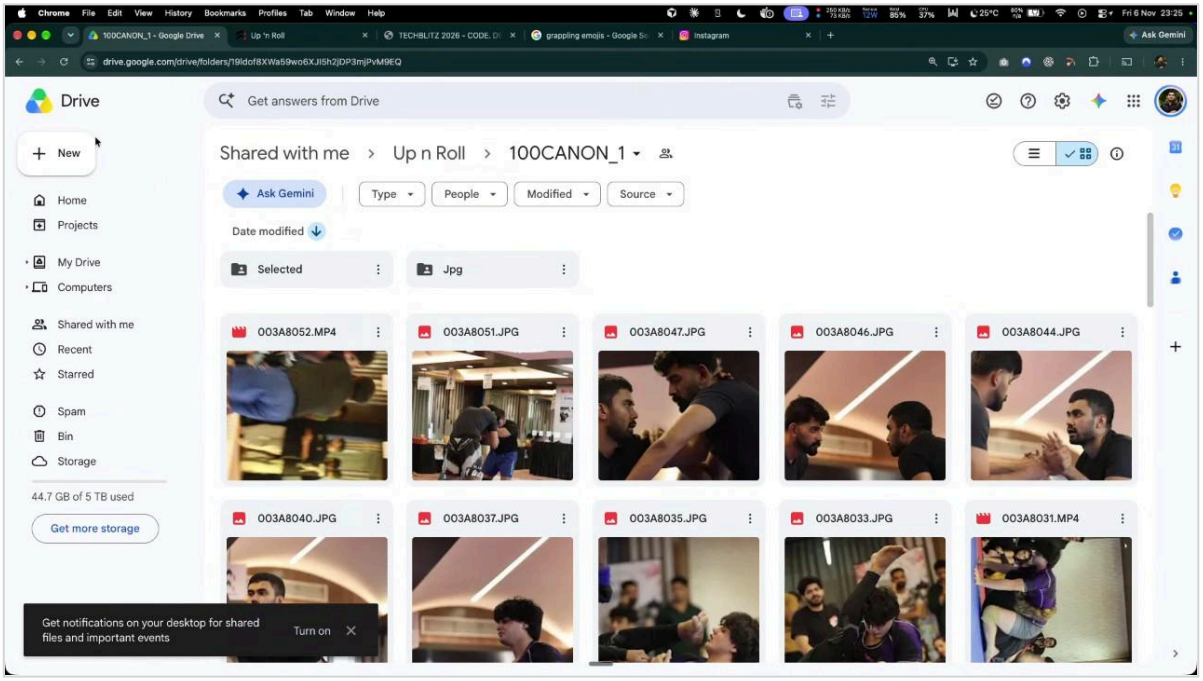

Platform Branding, Visual Layout, and Website Navigation: Up 'n Roll and James Lewis outline the visual design and structural layout of the platform, noting a black background header and a normal aspect ratio of 150 (00:07:52). The platform branding emphasizes the tagline "Earn your role" and positions itself as a platform built for grapplers in India and Brazil, featuring real fights, real pay, and real rankings, with social media integration through Instagram. The participants establish a timeline for next week, covering Tuesday through Sunday, and note that the platform's founder details and address are registered in India (00:13:25). Furthermore, the website navigation structure is detailed to include a home page, an about us section, featured and upcoming events, a coming soon merchant store, seminars, grappler profiles, brackets, and rankings (00:27:07).

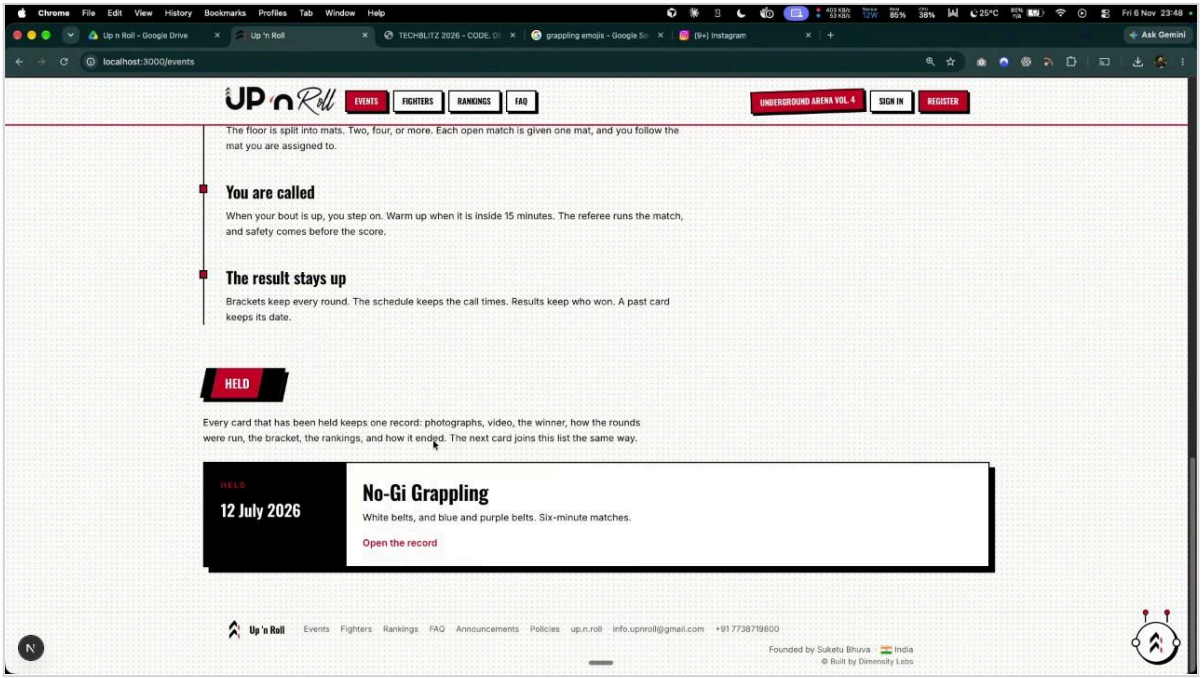

Event Divisions, Weight Classes, and Participant Criteria: Up 'n Roll, James Lewis, and Suraj phirke discuss the organization of tournament divisions, weight classes, and ranking systems (00:00:00) (00:17:30). Weight categories include lightweight divisions spanning up to 65, 65 to 75, and 75 to 85, catering to beginners and fighters matching by age, such as 30 years old or age 21 (00:04:13) (00:17:30). The ranking system incorporates an automatic point calculation for gold, silver, and bronze tiers, alongside manual adjustments by judges for super fights (00:04:13) (00:30:25). Participants must provide background metrics during registration, including experience, belt levels, and historical win-loss records (00:17:30).

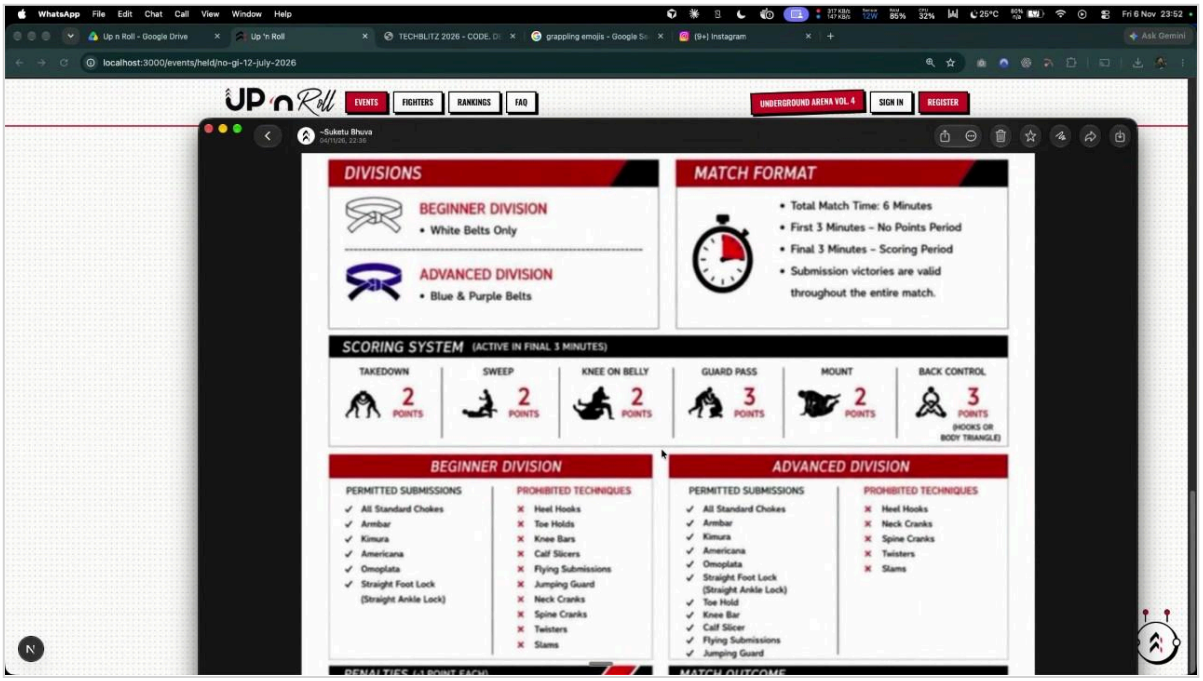

Media Selection and Asset Management: Up 'n Roll and James Lewis review and organize digital media assets for the platform, including JPEG images, Canon camera photos, and video files (00:35:57). The participants navigate through various computer folders to select appropriate visual content, such as team celebration pictures, event footage, and media with specific resolutions like 800 (00:30:25) (00:48:05). Consensus is reached to approve specific high-definition images and videos for the about us section and general platform media usage (00:41:47).

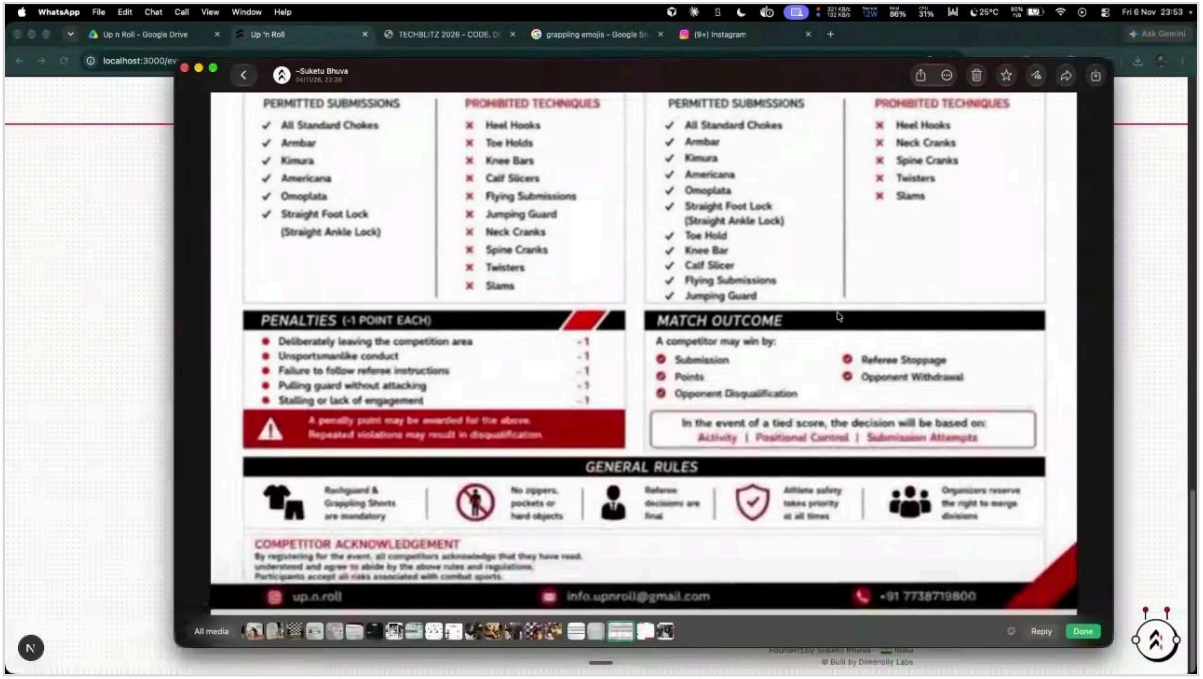

Website Documentation and Media Review: Up 'n Roll and James Lewis discussed document forms, JPEG images, edge lighting, and a report section associated with a 12th July video, reaching a consensus on organizing these media files (00:53:53).

Homepage Rules and Belt Categories: Up 'n Roll and James Lewis reviewed the rules section on the homepage, detailing beginner and intermediate rule sets, blue and purple belt classifications, and point penalties (00:59:25).

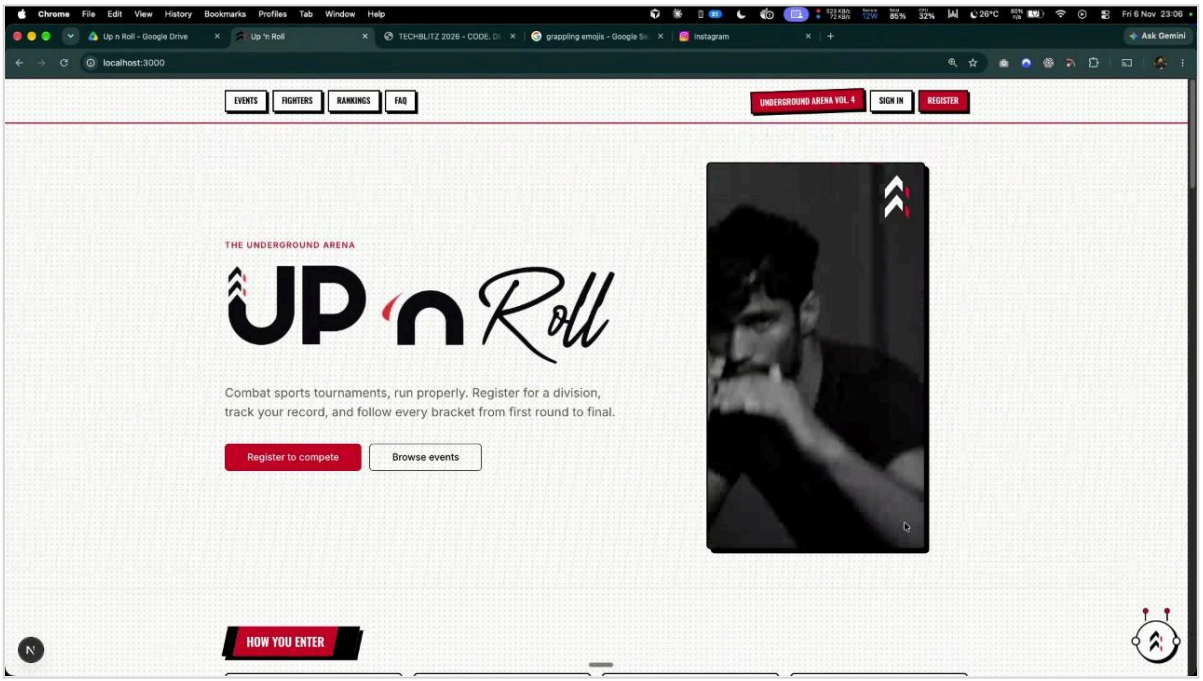

Event Registration and Schedule Details: Up 'n Roll, James Lewis, and Suraj phirke discussed match outcomes, registration acknowledgments, and event schedules set for 23rd January 2027. Suraj phirke proposed adding a Google registration link, and Up 'n Roll confirmed the inclusion of women's weight categories (01:03:16).

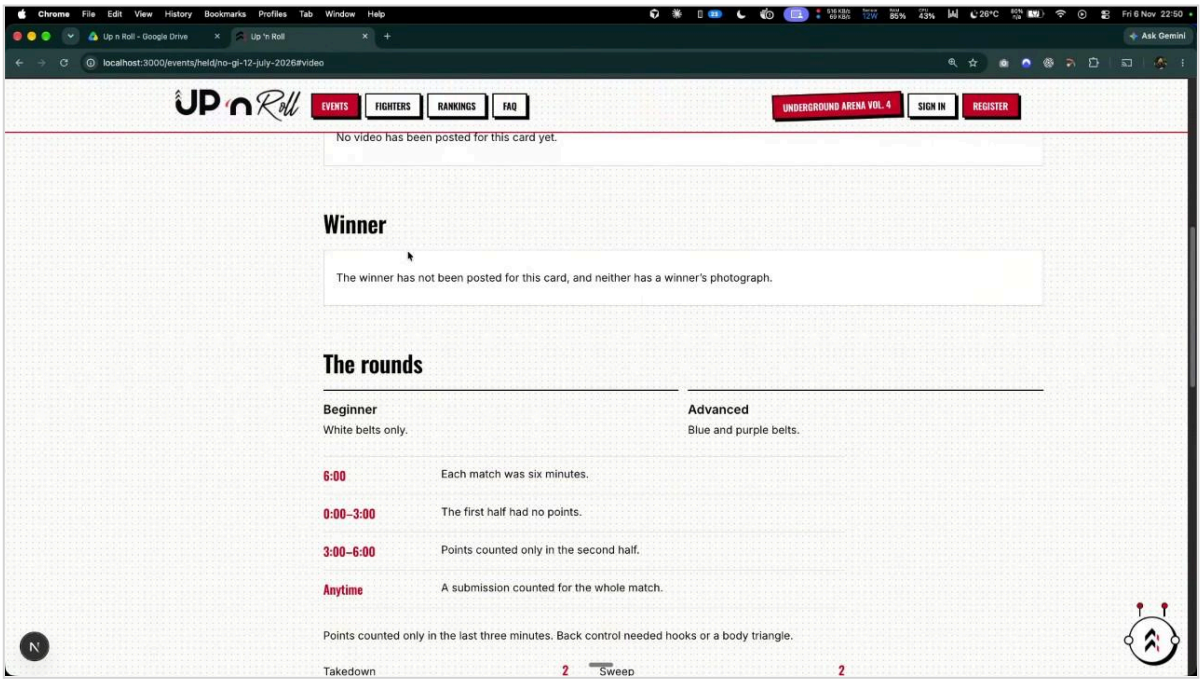

Tournament Features and Superfight Series Sign-Up: Up 'n Roll and James

Lewis addressed event posters, seminars, rankings, brackets, an upcoming merchandise store, FAQs, and the Up 'n Roll Superfight Series auto-sign-up feature on the homepage (01:08:23).

Fight Videos and Division Entry Requirements: Up 'n Roll and James Lewis reviewed the registration process, front-page fight videos, event pages, FAQs, and belt-related division entry requirements (01:12:14).

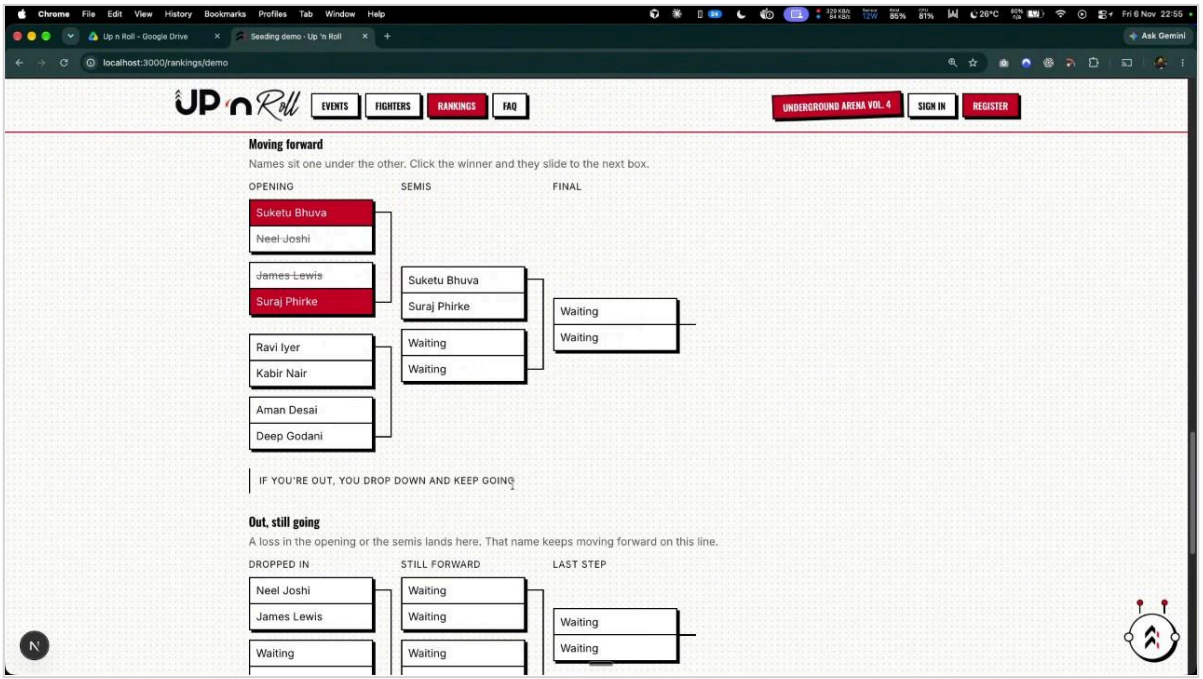

Website Design and Color Palette: Up 'n Roll and James Lewis noted that participant images will be published on the website for the ranking system. Suraj phirke suggested an animated design, and they collectively agreed on a red and black color palette (01:16:55).

Merchandise Imagery, Chatbot, and Mobile View: Up 'n Roll, James Lewis, and Suraj phirke reviewed animated grappling images representing gold, silver, and bronze rankings, manga-styled grappling t-shirt designs coming soon, a chatbot feature, and mobile view layouts (01:20:37).

Bracket Categories and Division Structures: Up 'n Roll and James Lewis discussed event notification banners and specific bracket divisions. They outlined categories for male beginners and intermediates across 55kg, 65kg, 75kg, and 85kg weight classes, as well as women's divisions for minus 55kg, minus 60kg, and plus 60kg (01:25:05).

Automated Bracket Systems and Notification Protocols: Up 'n Roll and James Lewis discussed the automated bracket system and fight announcement notifications via email, agreeing to demonstrate the live bracket functionality to users (01:29:13).

Website Security and Google Authentication: Suraj phirke and James Lewis discussed website integration, establishing that security and Google authentication are key requirements to finalize (01:29:13).

James Lewis: 23rd January Saturday. Check. Okay.

Up 'n Roll: or

James Lewis: Chica.

Up 'n Roll: You know, it's like it's very easy for you guys to figure first.

James Lewis: Exactly. Collapse.

Up 'n Roll: trial and error. Okay. Sorted.

James Lewis: Done. Done. Done.

Suraj phirke: Yeah, it's done being

James Lewis: Take care.

Up 'n Roll: on you. Bye.

James Lewis: Yes.

Up 'n Roll: Bye.

James Lewis: Bye-bye.

Up 'n Roll: Bye, sir.

James Lewis: Right.

Up 'n Roll: Good night. Thanks.

James Lewis: Yes. Yes. What's

Suraj phirke: Uh morning job

James Lewis: I

Suraj phirke: Check.

James Lewis: Website website.

Suraj phirke: I say hello.

James Lewis: Look at that.

Suraj phirke: I will get up.

James Lewis: Sorry.

Suraj phirke: integration.

James Lewis: Easy.

Suraj phirke: But main Security Googleation.

James Lewis: Okay.

Suraj phirke: Authentication.

James Lewis: Directly. Okay, I stop taking notes.
